**Over the last few days Pope Francis has opened an International Synod for the Catholic Church.** This is a very serious piece of listening, praying, discerning and reflecting. It is a chance for our Pope and Bishops to hear from Catholics across the world about the issues of faith which most concern us. The Synod will help to set the direction of the Church in the decades ahead, as we consider what it means to Share the Good News of Jesus Christ in our times. As ever, we do this in the light of Scripture, together with the Tradition (theological writings over the centuries) and Magisterium (Papal teaching) that has shaped the Church for the last 2,000 years.

**Each Diocese will have a local "Synodal process" and within Brentwood Diocese this work builds on the extensive reflections of 2018-2019 through the Stewards of the Gospel;** it is a prescient moment for that work to be deepened and refreshed in the light of the pandemic. A team led by Fr Andrew Headon and Teresa Carvalho will soon be sharing with us the ways in which we can contribute to the Synod conversation, and this evening (Sunday 17<sup>th</sup> October) the Bishop is offering Mass at the Cathedral to open the Synodal process in the Diocese. More details at [www.dioceseofbrentwood.org](http://www.dioceseofbrentwood.org)

**On a very different, and sombre note, a Bill is currently being debated in Parliament that could have a lasting impact on end of life care. The "Assisted Dying" Bill raises many serious concerns.** Please look at the information from all the Bishops of England and Wales at: <https://www.cbcew.org.uk/assisted-dying-bill-2021/>

---

**Please return your LAUDATO SI' PLEDGES to the basket in front of the altar.** After next weekend we will create a display of all the pledges, and offer them in prayer.
