Welcome to the parish!

You are very warmly welcome here – whether you have just moved into the area, whether you have not been to church for a while, or whether you are not a Catholic and just want to discover a bit more of what it is all about, you are welcome.

Within this leaflet, hopefully you will find a group or activity that you would like to be part of, a place to meet people, and to become immersed in the life of this warm and friendly community. If there is something you would like that is not mentioned here, please let us know – you might even be the one to start it!

The “heart of hope” guided us through the pandemic – and then, for a while, it was a flower bed (pictured on the front of the leaflet), commemorating those who worked with heart and soul throughout the pandemic. So many in this parish work at Queens and King George’s Hospitals, as well as in many other “front line” roles, and we pray for them all.

Once again, welcome – I hope your time in the parish is very blessed, and please do not hesitate to get in touch if there is any way in which I, or anyone in the parish, can help you,

Fr Dominic
